Hearing Screening Cover Letter

Date: 17/10/25

Dear School,

Cardiff and Vale Audiology Department has taken over the School Entry Hearing Screen for Reception age children.

We will be visiting your school on: 8/12/25 and 12/2/26

For us to test the children we will need access to a quiet space with a power point. A noisy environment will result in children failing the test. We will also require an assistant to help transport the children to and from the room being used.

If you could be so kind as to hand out the enclosed consent letters to all children in Reception year. If the parents do not consent, they have been advised to let yourself know. The hearing screener will ask for this information when they attend and they will also need an up to date copy of class registers.

If you have any questions, please get in contact with myself.

Yours sincerely,

Cardiff and Vale Audiology Department
