Dear Parent/Carer,

Willows Transition Events – Autumn 2025

Willows High is very much looking forward to moving to its new site on Lewis Road in October 2026. This means that pupils applying to attend Willows High from September will be on our current site for only a few weeks before the planned move.

From the **13th October to 23rd October** parents and pupils will be able to book a **tour of the current Willows High School**. Please email teamwillows@willows.cardiff.sch.uk or call 02920 414243 to arrange a suitable time. We will tell you about the school, our ethos and vision and what a Year 7 pupil can experience in their time at Willows. You will be escorted on a tour of the school, see lessons in action and have a chance to ask any further questions you may have.

We are also in the process of organising for parents and pupils to **visit the site of the new school, Willows High**, situated on Lewis Road. These will take place in the Spring Term of 2026, and more details will be shared once finalised.

The school admissions process is conducted online. Should you need help with accessing the internet or translating the information needed, please contact the school as above. We have Arabic, Czech, Somali, French and Italian speaking staff to help with completing the online forms. **The deadline for admissions is Monday 17th November.**

We have further transition events planned for the forthcoming months and we will provide the primary school with dates and times in advance. The **Whole School Transition Day and Parents' Evening will be on Thursday 18th June 2026 – please save the date.**

We look forward to starting your child's journey with us at Willows this year.

Kind regards,

Suzie Warren

Assistant Headteacher – Transition
